2012 WHOLESALE NATIVE PLANT LIST

Specializing in Northeastern native herbaceous plants for wetland mitigation, restoration, landscape design, and wildlife habitat enhancement.

Sold as plugs in standard 10 x 20" trays with 50 or 72 cells per tray. Propagated by seed, division, and cuttings.

Most species are available in larger size containers and bare root. Please inquire.

Fax your bid quote request to (410) 329-2156.
or e-mail to info@signaturehort.com

**"WE SPECIALIZE IN NATIVE PLANTS FOR
STORM WATER MANAGEMENT PONDS."**

Visit us at our website: www.signaturehort.com

These are wholesale prices

For quantities of less than 100 per species, add \$0.10 per plug.
 For quantities of less than 50 per species, add \$0.20 per plug.
 For quantities of less than 20 per species, add \$0.40 per plug.

Please try to order in even tray multiples of 50 or 72 per species.

While it is unlikely, please know that price changes may occur without notice. Most species are available in larger size containers and bare root. Species not listed, please inquire.

Contract growing is encouraged. We can custom grow most any species to meet your specific needs. We, also, routinely pot up our plug material into larger sizes to satisfy your job specifications.

Hold on to this catalog! In an effort to keep administrative costs to a minimum, we will not automatically send out a new catalog, unless requested.
 Please – call ahead to arrange for pick up of plant material. Delivery can be arranged and we will, also, box and ship UPS.

Thank you for your patronage. We are a small, family-owned and operated nursery and we appreciate your business. We will always strive to earn your trust. If you ever have any questions or concerns, please feel free to call. I would enjoy hearing from you.
Kevin Fabula

Wetland Indicator Status Key

OBL...	Obligate Wetland Species: Occur almost always in wetlands.
FACW...	Facultative Wetland Species: Usually occur in wetlands, occasionally found in non-wetlands.
FAC...	Facultative Species: Equally occurring in wetlands or non-wetlands.
FACU...	Facultative Upland Species: Usually occur in non-wetlands, occasionally found in wetlands.
UPL...	Obligate Upland Species: Occur almost always in non-wetlands.

Terms and Conditions of Sale

- All orders are on a C.O.D. basis until credit has been established. For established customers in good standing, all bills are due at net in 30 days. Two (2) percent interest per month (24% per year) will be added to all unpaid bills over 30 days.
- A \$25.00 fee will be charged for all returned checks.
- The buyer agrees to be liable for all attorney's fees and court costs in the event that legal action is necessary to collect any overdue accounts. Action to enforce payment shall be settled in a court of law in Baltimore County, Maryland.
- Any plants returned or not picked up are subject to a 15 % restocking fee.
- Please inspect your plants immediately upon arrival. No claims will be allowed after having once been accepted or when the claim is not made in writing within three days of receipt of stock. All orders are subject to crop failures and circumstances beyond our control. Signature Horticultural Services' total liability shall be limited to replacement or credit of purchase price.
- Please note: All shipments turned over to a carrier become the buyer's property. Claims for loss must be made to the carrier.
- A purchase order, either oral or written, constitutes a sale and the buyer will be responsible for full payment.
- Our plants are guaranteed to be true to name and healthy upon receipt. However, we cannot be responsible for results upon transplanting.

Wholesale Prices only – for quantities under 100 per species, see p. 1

DIRECTIONS

From I-83 take Exit 31 - Middletown Road, go West.
(If heading North on I-83 turn left at the end of exit ramp.)
Go approximately 4 miles. Prettyboy Elementary will be on
the left. Turn right on Gore Mill Road, just past the school.
Go 1/4 mile to nursery on left.

**There is no sign.
Look for address on the mailbox on right.**
